Subject.

House Building advance to Lr. Sh. A. Speechly Esq. Executive Engineer, Cuddapah Circle & office.

Letter No. 3176 dt 5-12-03 fr. the Controller.

The applicant states that he is fully paid up the advance already drawn from Govt. Rs 1500/- and has Constructed a house at a cost of Rs 3300/-. He states that he has mortgaged it for Rs 1000/-. The improvements proposed by him are a bath room latrine and 3 doors. The Treasury officer has inspected the house roughly estimated the cost to be Rs 1500/- and states that as the house has been mortgaged and the official has not insured his life in the State Life Insurance no advance can be given unless Govt. Consider his case as a special one

But on the other hand the Borrower is willing to pay for the advance as the Value of the house being encumbered by mortgages does not determine from its Value and as the building will enhance it and eventually help to pay off the present encumbrances

Submitted for orders.

SUBJECT MATTER.

Submits for favourable consideration an application from M A. Srinivasachar an Examiner in this Office

MGCPB—28-3-02—600

To

Henry Pagles Esqre
Offg Comptroller.

Sir,

I beg to represent that the Government having been graciously pleased to grant me in January 99, an advance of one year's pay, I was enabled to build a house in the Mallesvaram Extension of the Bangalore City. Though I have been living in it since February 1900, I find it very inconvenient on acct of the building being still in an incomplete state. I therefore beg to request that you will be pleased to recommend me for a second advance of 6 months pay.

2. In this connection I beg to state beforehand that the advance I got last time was only Rs 1560 and that I have fully repaid it. As this amount was hardly sufficient I had to supplement it by raising private loans. I have altogether spent on the building Rs 3300, but I had to mortgage it for Rs 1600. As the House Building Advance that may be given is recoverable from my pay monthly and as the Original advance of Rs 1560 was given on the Security of a mere site it may not be difficult for Govt to be more pleased to grant me an advance of six months pay.

3. Should they be pleased to grant it I shall mortgage my house to Government as required by the Rules, subject to the above mentioned first mortgage. If such a procedure is considered un-

desirable

undesirable, I beg that I may be
granted an advance to enable me to pay, so
that I may clear off the debt
and Complete my house and
mortgage the house without any
Encumberance

I beg to remain,
